There's only one road
In and out of my heart
I don't know where it ends
And where it starts

But the night is young
Younger than we
So let's burn right and wrong
I'll forgive you
And you'll forgive me

Take it on faith
That I'll be there
When the pain comes
And I'll take it all on faith
That you will try, try not to run
When it's hard, so hard

I can be on fire
Yah I can hold my own
But inside I'm just a girl
Who's scared to be alone

Today was hard
But tomorrow's new
And if you're there for me
I'll be there for you
Yes I will see us through

And I'm taking it on faith
That I'll be there when the pain comes
And I'll take it on faith
That you will try, try not to run
When it's hard, so hard

I'll take it on faith that you'll be there
When the pain comes
I'll take it all on faith
That you will try, try not to run
Take it on faith
Take it on faith

Take it on faith
Take it on faith
Take it on faith
Take it on faith
When it's hard
so hard
