Te wo nobaseba kimi ga ita
Mada kokoro ni kimi ga ita

Naze wakare wo tsugeta no ka
Ima demo mada wakarazu ni

Sekai no hate de omoi haseru
Iro no nai keshiki ni
Kimi wo kasanete
Toki no namida ga uruoshite yuku
Nani mo nakatte you ni sugoseru
Tada sore wa wasureta wake janai
Yomigaeru sono shikisai

Te wo nobaseba kimi ga ita
Mada kokoro ni kimi ga ita

Sugoshita hibi wo sukoshizutsu
Odayakana hizashi ga terashi hajimeru

Toki no namida ga uruoshite yuku
Nani mo nakatte you ni sugoseru
Toki no namida ga hana wo sakasete
Subete kirei na omoide tonaru
Ano hizashi wa hana no iro wo utsushi
Mata kimi ga hakkiri mieru
