"Digital Revolution"

Living in the world of digital revolution
Living in the time when I feel so lone
Living in the world of total confusion
Like we do

Breaking down the walls with tweetering revolutions
True conversation is hard to find
Living in the world of false expectations
Like we do

Dostoyevsky, Paul McCartney, Mona Lisa, Don Giovanni
Who is zero and who has one
It's all digital, for everyone

Living in the world of different resolutions
Living in the time when true love is hard to find
Living in the world of total illusions
Like we do

Dostoyevsky, Paul McCartney, Mona Lisa, Don Giovanni
Who is zero and who has one
It's all digital, for everyone

Digital my friend, for everyone!
