Have you lost your love  
In a foreign land  
Have you lost your soul  
In a desert sand

Through the morning sun  
Or the pouring rain  
Through the fog and doubt  
Through the falling lakes

Hallelujah

I can tell your love, from another life  
I can feel your pain, from another time  
I can tell your glories, from another place  
I can feel your stories, that our love, is here to stay

Have you lost your voice  
In this noisy world  
Have you lost control  
Or just acting cold

Do you love yourself  
Like you care for me  
Have you smell the rose  
Or the wave from sea

Hallelujah

I can tell your love.....
