I don't want to see you,  
Till I see you again  
I want to be near you  
And miles and miles away

Shadows and sorrows  
I have and I don't  
Hallways of mirrors  
Disappear

I'm never gonna wake up  
Till you knock on my door

I'm never gonna wake up  
Till you cry and say a word

I got a feeling  
I want and I don't  
Contrary motions  
Disappear

Never gonna wake up, I'm never gonna
