"Yes I Do"

Do you remember conversation
Running to the railway station?
Yes I do.
Do you wonder watching the sky?
About the day you're gonna die
Yes I do.

Love never fades. Love never mends. In my life.

Do I wish upon a star?
To know where you are
Yes I do
Do you fight the status quo?

Do you know friend from foe?
Yes I do.

Love is so kind. Love isn't blind. In my life.

Do you know the combination?
Love is not a destination
Yes I do
Do you lack some motivation?
For a higher education
Yes I do.

Don't let me down.
Clown wears the crown. In my life.
