[Verse 1: Hodgy Beats]

Karl Malone bring challenge from the eight passes
Hodgy Long one of them bastards that were head
bashers
Yeah we Skate Mental, but the meaning of a Thrasher
Is the whiplash out that leaves you pussy n*ggas
fractured
I need meds from a mental institution
Before my brain is revenged, feel the fingers shootin'
They caught him screaming in a twine of mental
looping
Take the garbage out back, I pay the homage in fact
I throwing T-Bones to these wannabe me clones and
their wannabe me clothes
B*tch I'm actually old
I spin ya like the cover we on
You're in between the pages
I'm 21 now been running these Fairfax blocks for ages
Organic for breakfast
We raging on stage its twelve-noon on my clock,
engaged for twelve gauges
I spit the plague, and don't believe it be a pagan
I'll send your wife dead photos of you taken by Sagan
B*tch

[Verse 2: Tyler The Creator]

This that weed sh*t, hot sh*t pissed off custodians
Get rich and marry fati»¿ b*tch Lamar Odiem
I'm rich b*tch, and y'all's jelly as that jar of petroleum
That I had used when I eloped with him and 40
Mormons
I'm planning on firing Clancy, ain't no damn controlling
him, boy
You can't carry this gun Cannon Nickelodeon boy
My boy Domo higher than fat b*tches sodium
And nuggets greener than the f*cking can my
Arizona's in
I'm sneaking in your kid's ear lobe
"Oh, no! It's him! Goblin!"
Dropped like the soap in the tub
Now I have have famous friends who like coke and

them drugs
Dancing with me, Jerry Sandusky, and the Pope in the
club
Jerry's trying to get a tug but isn't paid enough
Now if he doubles it I'll tug it in the bathtub with bubbles
And a rubber ducky that I got on tour Kentucky with
some groupies
Where I had got hooky with some sucky-sucky trust me
honey bunny
If you f*ck me you gonna leave with runny nose
I be running in these hoes ain't nobody gotta know
No f*cking f*ck
Me
