[Verse 1: Tyler the Creator]

Wolf Gang be on that wrist split splatter  
Snortin' coke pattern misfit'll hit Mick Jagger  
Me and Jasper bangin' Bastard, beatin' midgets up with  
ladders  
N\*gga don't give a f\*ck, that's that Wolf Gang swagger  
Don't give a shit so my d\*ck f\*ck bladders in your ear  
Radical shows that Wolf Gang's radder  
With a staggerin' pack of cocaine in the sack of my dick  
Where the lips of your teen daughter sits, b\*tch  
F\*ck Tyler, I'mma change my name to Uncle Phil  
Cause every girl I deal and f\*ck, it's always against her  
Will  
Dope enough to snort crack and sit the f\*ck still  
In Nellyville's old folks home searchin' tip drills  
Get my fill on with this grandmother named Jill  
Takin' shots of pun juice to the head for a cheap thrill  
Hopefully my d\*ck don't shrivel up, when it's time to  
bust  
In this rusty cunt, that won a cup in collectin' dust  
Boogyin' with Jesus and a bunch of Nazi hoes  
In the front row at a holy Justin Bieber show  
Slowly my Ritalin is kickin' in and Jesus left hand  
Begin to make me feel like a little kid again  
This isn't rape, this is f\*ckin' without a condom on  
Throw her slightly to the right, so dyke I'm kinda wrong  
Wolves is out past dawn on your front lawn  
Me and Juan ensurin' you that your slut daughters gone  
At the pawn shop, tryna sell this Baume watch  
She's a white vegetarian, I'll get this blonde cock  
Lip balm she's some nun b\*tch from St. John  
Told her that her pastor was a faggot and he likes John  
He's a janitor recreational rectum manager  
I am not, let's consider me a little pecan  
That'll get your chest nutted on with an acorn  
They swore that I was all f\*ckin' nuts like a gay porn  
Cause I disregard the white dress and the perm weave  
And the headrest had to have about eight thorns  
I was born back, Wolf pack, n\*gga f\*ck that  
Somebody tell Satan that I want my f\*ckin' swag back

[Verse 2: Tyler the Creator]  
Box logo on my muthaf\*ckin' chest  
Left hand staggerin' on her muthaf\*ckin' breast  
Deep down, I'm an emo f\*ckin' faggot that's depressed  
So the f\*ckin' school suggested me a therapist  
I confessed bein' atheist, they said I was possessed  
By a demon, cause I wanna see a b\*tch infested  
With my semen and oppressed by my give a f\*ck less  
Of the baby not bein' digested by a f\*ckin' hungry punk  
Feedin' kids to slutty nuns with his cum  
Got a f\*ckin' blogger, need a post so I can get it done  
2DopeBoyz I know you like this  
(Like what?) This hot cum that's from my dick  
Call me a clown but a week from now  
You're goin' to hear this and begin to ride on my dick  
Like how the f\*ck did we miss this kid's shit  
Oh yeah we're old as f\*ck, we didn't have our glasses  
But f\*ck y'all, I don't need y'all help  
I got 20 thousand views on "French" itself  
I did the video for really though, you silly rabbit faggot  
tricks  
Off the kids so we go.. Abracadabra
