[Verse 1: Jasper]

Chillin' in class with a bag full of grass  
Got that purple and a white chick to smoke up and  
choke up  
I even got that white sniff come over here and take a  
whiff  
Now you ready to get raped and ate by Mr. Haley  
Litter Life is the gang, it's that shit that we bang  
Let's play an Odd game, it's called bitch you better run  
When those Odd Wolves come out  
And chew you up bitch like bubble gum  
Jasper's off climbin' trees with that nazist you see  
Never met a nigga like me because I'm an Oddsby  
Opposite of a Cosby kids, got that Virginia tech swag  
Shoot up your school and laugh, bitch

[Hook]

Swag me out bitch  
Wolf Gang!

[Verse 2: Left Brain]

Swag, me, the fuck, out  
'fore you get punched in your fuckin' mouth  
I'mma take your bitch back to my crib  
You already know my dick is gon' be in ribs  
Yeah, and I like barbecue  
Fuckin' with me, I'm fuckin' with you  
Uh, Wolf Gang, that's the fuckin' clique  
If you got a problem bitch hop on this dick  
Nigga I don't want you here  
So get the fuck out 'fore shoot you like a deer  
Swag me out, swag me out  
I don't give a fuck, swag me out  
Oh oh, where the fuckin' hoes?  
Hoes hoes, where the fuckin' hoes?  
Hoes hoes, where the fuckin' hoes?  
Where the hoes?

[Verse 3: Tyler the Creator]

You faggots yap about tokin' kush  
While I deal with drug dealers and they killed a whole  
bush

George inside the storage if you wanna take a look  
But keep your motherfuckin' daughter's mouth  
shushed boy  
Lookin' for them white sluts who good at suckin' cat  
Wolf dick black as nigga riders from the fat black  
bitches  
Odd Future Wolf Gang Kill Them All don't give a fuck  
Loiter Squad, you know where the fuck we at  
Earl and Burman swervin' in the Jeep  
Me and Travis in the back squirtin' Jergins on our feet  
What is that? Not a penis  
What the fuck is extra meat? I don't know, ask Asia  
Two nazi dykes shittin' in a Synagogue  
Cause that bitch lick balls from Western to Crenshaw  
And her grandma suck dick down in Rimpau  
And she masturbates with Vaseline and a Ken doll
