Could this be Earth?  
Could this be light?  
Does this mean everything's going to be alright?  
One look out my window there's trees talking like  
people.  
I dreamt of storms, I dreamt of sound  
I dreamt of gravity, keeping us around  
I slept in the darkness it was lonely  
And it was silent.  
And what is this love?  
I don't feel the same, I don't believe what this is  
could be given a name.  
I woke you were there tracing planets on my  
forehead!  
But I'll forget 23, like I'll forget 17  
And I'll forget my first love like you'll forget a  
daydream.  
And what of all my wild friends and the times  
I've had with them?  
We'll all fade to grey soon on the TV station.
