She singing bitch I'm paid, that's all I gotta say, I'm like
who knew?

That after all the years I'd make a Weezy fan out of you
too

When I met you, you were Thom Yorke, Chris Martin
and U2

When you met me I was Three 6, Pimp C, Bun B, 8Ball
and MJG, yeah

[Bridge:]

But we're both a long way from home
We got the windows down, the radio's on, always

[Verse 2:]

I wrote a letter to the sky saying maybe one day you'll
get to kiss me

My girl found it in the car and said baby why you trying
to diss me?

Cause you know you're my baby, you know you're my
baby, ooh

I'm not just in it for the ride, in it for the ride, yeah
