Oh, oh, oh, girl you blow my mind  
Every time that we're alone!  
Girl, let's do some new,  
Baby tell me where you wanna go,  
So much opportunity  
The many possibilities I know  
When we'll be sexing,  
Cause you'll never know  
Where will be sexing, girl!

I can't wait till you get off  
So, so I can put it on you,  
I've been thinking about you all day,  
You got the kind of love,  
Make a nigger spend it on ya!  
She ain't like 'em other girls,  
She ain't like 'em other girls,  
We'll be all upon the couch  
We'll be all upon my dresser,  
We'll be all upon my bed,  
Know shawty ain't scared!

We just do it any day; we're just do it anyway,  
We just do it anyway; we're just do it anyway!  
In the back seat of my car, oh no, she don't mind!  
We'll be all up in your office, put in that over time!  
We just do it anyway!  
We just do it anyway!  
We just do it anyway!  
We just do it anyway!

Oh, oh, oh, girl you blow my mind  
Every time that we're alone!
