Dream, Dream Dream
Dream, Dream Dream
Killer, Killer
thought you said, i never make it but i'm here
you said i should go and sleep off the dream
you promised i would stop having nightmares
if i could do my best to just not believe

say, i'm infatuated with my future
so in love with tomorrow
and that tomorrow's a mystery that won't be solved
tomorrow's a rolling stone that won't be home
Never dream that you tell me lies lies lies
vicious lies looking me in my eyes lies lies

i'm running, i'm running as fast as my mind would let
me
i'm running , i'm gunning dream killers on the hunt for
me
i'm running. i'm running, wont never let them get me
i'm running , i'm running dream killa dream killa killa

Vilian ,with a dagger was chasing me
i woke you and you were standing right there
you kissed me and said that's just a bad one babe
then i asked you what is that in your hand

you told me, i'm infatuated with my future
too in love with tomorrow
you said tomorrow's mystery that won't be solved
tomorrow's a rolling stone that won't be home
Never dream that you tell me lies, lies, lies
Vicious lies looking me in my eyes lies lies

i'm running, i'm running as fast as my mind would let
me
i'm running , i'm gunning dream killers on the hunt for
me
i'm running. i'm running, wont never let them get me
i'm running , i'm running dream killa dream killa killa

i'm gonna sleep good as soon as you're gone (Hey)

but i can't dream good as long as , long as

i'm running, i'm running as fast as my mind would let
me

i'm running , i'm gunning dream killers on the hunt for
me

i'm running. i'm running, wont never let them get me

i'm running , i'm running dream killa dream killa killa

dream killa dream killa killa

dream killa dream killa killa

dream killa dream killa killa

dream killa dream killa killa

dream killa dream killa killa
