[Verse 1:]

Hell yeah

A blind boy sees a green girl
She drives a green car through a dream world
She meets up with the green club
And talks of saving the earth from itself

A blind boy
Saw a blue man
Who rides a blue bus through a nightmare
And leaves work to a blue home
Where the blue seem different
Since she's passed away

[Chorus:]

And the same boy
With sunken eyes saw me
And described
Yellow so perfectly

Said he's watching
Watching
Watching here
With eyes like sky
Eyes like I never seen

[Verse 2:]

A blind boy
Became a kind man
Who painted white lights on a canvas
He once said he didn't write songs
'Cause making music would be selfish
And back then he saw the flags fly
Seen them fight in Dubai for it
He said war is for those who can see it
But what good is a border to me yeah

[Chorus:]

And the same man
With sunken eyes saw me
And described
Yellow so perfectly
Said he's watching
Watching
Watching
With eyes like sky
Eyes like I never seen

[Verse 3:]

I said I wish you could see the ocean
He said I wish you could see hope
I said have you ever seen a mountain
He said no but my faith can move those

I said I wish you could see the stars
He told me I should see love (love)

Hell yeah

[Outro:]

Said he's watching
Watching
Watching
With eyes like sky
Eyes like I never seen
