I wanna see your pom poms from the stands  
Come on, come on  
My fingertips and my lips  
They burn from the cigarettes  
Forrest Gump you run my mind boy  
Running on my mind boy  
Forrest Gump  
I know you Forrest  
I know you wouldn't hurt a beetle  
But you're so buff and so strong  
I'm nervous Forrest  
Forrest Gump  
My fingertips and my lips  
They burn from the cigarettes  
Forrest Gump you run my mind boy  
Running on my mind boy  
Forrest Gump  
I saw your game, Forrest  
I was screaming run forty-four  
But you kept running past the end zone  
Oh where'd you go Forrest  
Forrest Gump  
And my fingertips and my lips  
They burn from the cigarettes  
Forrest Gump you run my mind boy  
Running on my mind boy  
Forrest Gump  
Forest green  
Forest blues  
I'm remembering you  
If this is love  
I know it's true  
I won't for-get you  
It's for you Forrest  
It's for you Forrest  
If this is love  
I know it's true  
I won't  
For-get-you
