Intro:  
(Oh oh oh)  
(Oh)  
(Yeah yeah yeah woahh woahh)

Hollywood, Hollywood  
Heard you like to take the love  
That's why I came to town  
With only my brain  
Holly baby, baby, yeah, baby, yeah  
Why do you drive the talent crazy? (crazy)  
Yeah

When they call you home  
Their home  
Their home  
Yeah  
When they call you home  
Their home  
Their home  
Yeah

They come from far away to meet you  
Then you break their hearts in pieces  
They call you home  
Their home  
Their home  
Yeah, yeah

And you drive 'em crazy  
Holly baby,  
Holly baby,  
Hollywood

I met you on the TV screen  
You told me you were single  
And we talked about the weather, babe  
You said it never rains in Southern Cali  
Baby, baby

Why do you drive the talent crazy, baby?  
When they call you home

Their home  
Their home  
Yeah  
When they call you home  
Their home  
Their home  
Yeah

And they come from far away to meet you  
Then you break their hearts in pieces  
They call you home  
Their home  
Their home  
Yeah, yeah

And you drive 'em crazy  
Holly baby,  
Holly baby,  
Hollywood  
Ohhh, yeah
