talk to me
and i better not hear a word
do me baby
i better not feel it girl
i still got one bullet left in my nine
finna do a lovecrime

you write me love letters
with your fathers pen

if he knew the freaky, freaky things
that you write with it
is it really wrong
that i want to be the babydaddy
is that a lovecrime, lovecrime
tell me it's a lovecrime

murder murder murder she wrote

lovecrimes lovecrimes
murder murder murder she wrote
lovecrimes lovecrimes

in the getaway car
you know i love it when the ride is smooth
if we ever get caught
it'd be a long vacation for two...
