Girl When I Met You  
The Numbers Were Runnin' Through My Head  
I Could've Wrote Down Your Number  
But I Memorized Them Instead, Ooh (Ooooh Aah Oooh  
,Ooh Aaah)  
And On The First Date Remember The Minutes Spent  
Together  
You Called Me Rainman Then Kissed Me For Three  
Seconds Ooooh Aah (Aahh Aahh)  
No One Else Has Ever Fit The Equation Quite Like You  
White Picket Fence And House To Make Love  
Two Kids And A Dog Named Doug  
Thanksgiving Dinner So Fast In The Winter  
.....(?)  
Multiply By Trust, Divide By Trust  
It Equals Love, Equals Love (Love Love)  
Part Of The Math, Part Of The Math  
Part Of The Math, Part Of It All  
Part Of The Math, Part Of The Math  
The Math, The Math, The Math, The Math  
We In College, But Numbers, You'd Be A Future Seven  
And I'd Be A Platinum Three, And We Could Be A Ten  
Together  
Oh, (Yea Kinda Make Sense)  
And I Don't Ever Want To Part Subtraction Or Division  
And If You Ever Left. I'd Go Full Calculus To Get You  
Back Back  
Geometry Draw A Map. Cause The Fact Is, No One Else  
Quite Fit The Equation Like That  
White Picket Fence And House To Make Love  
Two Kids And A Dog Named Doug  
Thanksgiving Dinner So Fast In The Winter  
.....(?)  
Multiply By Trust, Divide By Trust  
It Equals Love, Equals Love (Love)  
Part Of The Math, Part Of The Math  
Part Of The Math, Part Of It All  
Part Of The Math, Part Of The Math  
The Math, The Math, The Math, The Math  
I Said, If One Plus One Says It Equals Two  
Baby Me And You Only Equals Love (It Equals Love, It  
Equals Love)

If One Means One Then It Just Ain't Two  
And It Can't Be Love Cause It's Only One  
Part Of The Math, Part Of The Math  
Part Of The Math, Part Of It All  
Part Of The Math, Part Of The Math  
The Math, The Math, The Math, The Math  
I Said, If One Plus One Says It Equals Two  
Baby Me And You Only Equals Love (It Equals Love, It  
Equals Love)  
If One Means One Then It Just Ain't Two  
And It Can't Be Love Cause It's Only One
