[Hook]

There will be tears, I've no doubt  
There may be smiles but a few  
And when those tears have run out  
You will be numb and blue

[Bridge]

I can't be there with you, but I can dream  
I still dream dream dream, I still dream

[Verse]

My granddaddy was a player, pretty boy in a pair of  
gators  
See I met him later on, think it was 1991

The only dad I'd ever know, but pretty soon he'd be  
gone too  
Hide my face, hide my face, can't let 'em see me  
crying  
Cause these boys didn't have no fathers neither  
And they weren't crying, my friend said it wasn't so bad  
You can't miss what you ain't had, well I can, I'm sad  
and

[Hook]

[Outro]

I can't be there, that's all you had to say to me was  
You couldn't be there, why couldn't you say to me  
You won't be there, you coulda warned me  
You wouldn't be here right here, you wouldn't be here  
for me, no
