Frank Ocean

A tornado flew around my room before you came
please excuse the mess it made
it usually doesnt rain
in southern california
much like arizona
my eyes dont shead tears but boy they pour
when im thinkin bout you [ohh no no no]
i been thinkin bout you [you know know know]
i been thinkin bout you, do you think about me still
do yuh, do yuh,

Refrain

[or] do you not think so far ahead [ahead]
cause i been thinkin about forever [ohhh]
[or] do you not think so far ahead [ahead]
cause i been thinkin about forever [ohhhhh]

Twista

Twista, the remix
beautiful black women can you accept me
im hopin you never forget me
touch you wrong ill never let my hands let me
feelins for you as deep as my ancestry
lookin at you like as an egyptian statue
elegant as statcher, gotcha
all in my mental when im feelin energy
every memory i sill try to capture, rapture
beautiful goddess but moddest and almost astonished
as everybody else that i let you escape my physical,
form
and itd be especially cause you was warm
i was hopin that we would make a commitment that was
biblical
pivital situations put us in critical consequenses
i feel like it was all senseless
now my pain wet up the pillow when im defenceless
cause i shoulda went harder for you up in the trenches
ima be frank, oceans i think about it comparison when
im measurein the depth of our love
it be nothin above
sadder then purple rain mamories got me cryin like a

dove
but do you ever think about it
or did you really forget
i dont think i forgot a hour
what you used to look like steppin out the shower
super sexy when you in a position of power
spirtual essents of what a real women is
lets get in to a time machine i call it music
hopin i can jog every memory get sublimital takin you
forever the way i use it
how i tell a dj spin it
thoughts about you are usually infinite
you on my mind is alway authentic
when i think about you i be all up in it

Refrain

[or] do you not think so far ahead [ahead]
cause i been thinkin about forever [ohhh]
[or] do you not think so far ahead [ahead]
cause i been thinkin about forever [ohhhhh]

Frank Ocean
