darker times

theyâ€™re telling boulder heavy lies

looks like all weâ€™ve got is each other

the truth is obsolete

remember when all i had was my mother

she didnâ€™t compromise

she could recognize

voodoo

our daughters and our sons

are just candles in the sun

voodoo

donâ€™t let him see divide

donâ€™t you let her see divide

voodoo

sheâ€™s got the whole wide world in her juicy fruit

heâ€™s got the whole wide world in his pants

he wrapped the whole wide world in a wedding band

then put the whole wide world on her hands

sheâ€™s got the whole wide world in her hands

heâ€™s got the whole wide world in his hands.
