I believe Jehovah-jireh
I believe there's heaven, I believe in war
I believe a woman's temple
Gives her the right to choose but baby, don't abort

I believe that marriage
Isn't between a man and woman but between love and
love
And I believe you when you say
That you've lost all faith

But you must believe in something
Something, something
You gotta believe in something
Something, something

I still believe in man
A wise one asked me why
'Cause I just don't believe we're wicked
I know that we sin but I do believe we try

We all try
The girls try, the boys try
Women try, men try
You and I try, try, we all try

I don't believe in time travel
I don't believe our nation's flag is on the moon
I don't believe our lives are simple
And I don't believe they're short, this is interlude

I don't believe my hands are cleanly
Can't believe that you would let me touch your heart
She didn't believe me when I said that I lost my faith

Said you must believe in something
Something, something
You gotta believe in something
Something, something, oh, oh

I still believe in man, oh, oh
A wise one asked me why, oh, oh

'Cause I just don't believe we're wicked
I know that we sin but I do believe we try

We all try
The girls try, the boys try
Women try, men try
You and I try, try, we all try

Try to believe, try, try to believe
Try to believe, try, try to believe
Try to believe, try, try to believe
Oh, I, I do believe, I do believe
