"Farewell To Human Cries"

Eighty years have passed
Weak eyes can hardly see
This frail body dies
Mortal life expires
As my soul is removed
Farewell to Human cries

My soul journeys on
I know my name is written in
The Lamb's book of life
I soon will see you
My king, my only Lord
To dwell in Heaven's peace

My journey complete
Unto a better life
There is no more pain
Free from infirmity
Love of the Trinity
Reflected happiness

So I find release
Jesus Christ King of Kings
Is here with me
No need for sun or moon
God's glory will never cease.
