And if the time is right

[Debbie]

Some times you feel like you can't make it.

Feel like the pain so hard can't take it

Friend of mine I want you to know, my God will never let you go

So all I gotta say today, is dat help is on the way
Yher.

[Holy. H]
Help is on da way
Yher Iâ€™ve heard it before
Help is on the way
But I canâ€™t see it no moâ€™
I wanna know if itâ€™s really comin for sure
Coz I canâ€™t take the pain no moâ€™.
I wanna live my life to the bomb
Donâ€™t wanna be boneyard young
I wanna keep da word like smoke to a puffers lung ---
smoke to a puffers lung
Donâ€™t wanna catch the vapours
Gotta be myself never mind tha haters
Some times itâ€™s like I donâ€™t even care no
moâ€™
Cause every day I still hustle â€™nâ€™ struggle a new
deal anyway
Yo.

[Debbie & Holy. H] (Adlibs through out)
[D] - Know you know your pain is over.
[H.H] - Yher I know itâ€™s over now.
[D] - Can I say that I told ya?
[H.H] - See I know you told me.
[D] - All you had to do was pray to tha farther
[H.H] - Now I know
[D] - But itâ€™s alright now, alright.
[H.H] - Yher.
(Adlibs fade out).
