i know, i know, i know, don't say sorry
now i get the check, get the check, get the check, its
the problem of your's
when i heard the news i got worried
you gotta know if you ever give up, if you ever give up
on me
i know i know theres nothing to it
what a thing to say
oh it's a problem of mine, oh about time you can find
just stand up and walk away
sanitize me, honest, i'll be
ultra violently, rewind, rewind me
tapes get older, tapes they get slower
hold me closer, it's not over
wait up, wait up, wait up, what's the hurry?
just get off the phone, get off the phone, get off the
phone, you i'm talking to you
when i saw the tapes i got lonely
find a place to review the tapes and they got us on
growing up
wait up wait up wait up, just what's the hurry
what a thing to say
oh its' a problem of mine, oh about time you get by
just get up and walk away
watch me, time me, over-time me,
fall in line, please remind, remind me
tapes get older tapes they get slower
hold me closer, it's not over
sanitize me, honest, i'll be
ultra violently, rewind, rewind me
tapes get older, tapes they get slower
hold me closer, it's not over
