I never thought, I'd feel like this
Never knew what empty was
I've never felt, so alone
So scared of what's ahead

Home again, is this where I am?
Where I am
(I've lost so much time)
Home again, I'm almost there
Almost there
(This is just a distraction)

Somebody please, is this really it?
Have I finally reached where I'm headed?
I'd rather not look back again
They're always holding me back

Don't hold me back
Never look back

Home again, is this where I am?
Where I am

(I've lost so much time)
Home again, I'm almost there
Almost there
(This is just a distraction)

They promised me, that we would be
So much more, oh so much more
Now I remember, with deepest regret
The way they lead us on

Home again, is this where I am?
Where I am
(I've lost so much time)
Home again, I'm almost there
Almost there
(This is just a distraction)
Home again, is this where, I am?
(Can't hold me back)
I've lost so much time

Home again, I'm almost there
(Can't hold me back)
This is just a distraction
