What you get is what you see
It won't take much to get hooked on me
So shoot me right into your skin
And I will be your heroin

The side effects are sexual
And you're dying for a taste
The side effects are sexual
And you love the way I say

I'm your favorite drug
Your favorite drug
Just one hit is never enough
I'm your favorite drug
Your favorite drug
You can't break this addiction, no

Your favorite drug, your favorite drug
I'm your favorite drug, your favorite drug

I put my nails into your back
And you feel me like a spinal tap
You want it from me on both knees
But not until you beg me please

The side effects are sexual
And you're dying for a taste
The side effects are sexual
And you love the way I say

I'm your favorite drug
Your favorite drug
Just one hit is never enough
I'm your favorite drug
Your favorite drug
You can't break this addiction, no

Your favorite drug, your favorite drug
I'm your favorite drug, your favorite drug
Your favorite drug, your favorite drug
I'm your favorite drug, your favorite drug

I'm your pleasure in your pain
I'll numb your fear just like cocaine
And I'm your treasure, say my name

I'm your favorite drug
Your favorite drug
Just one hit is never enough
I'm your favorite drug
Your favorite drug
You can't break this addiction, no

Your favorite drug
Your favorite drug
You can't break this addiction, no

Your favorite drug
Your favorite drug
You can't break this addiction, no

Your favorite drug, your favorite drug
I'm your favorite drug, your favorite drug
Your favorite drug, your favorite drug
I'm your favorite drug, your favorite drug
