My pain filled drama queen
Is always creeping at your bed
Get ready to buy you out
'Cause we all know
What goes around comes around
Should've known what I was all about
Do not test me

'Cause I'm the fucking king of the world
Get on your knees
I'm the fucking king of the world
Do as I please

So get up and get out and I'll show you
What it means for me to control you
'Cause I'm the fucking king of the world

Keep your head down
Until I tell you to speak
You're not giving me the run around
When you fall back, unto my coffin
No you should have stayed out of my way
Do not test me

'Cause I'm the fucking king of the world
Get on your knees
I'm the fucking king of the world
Do as I please

So get up and get out and I'll show you
What it means for me to control you
'Cause I'm the fucking king of the world

Bow to me
Bow to me at my feet you'll bow to me
Bow to me at my feet you'll bow to me

Bow to me at my feet you'll bow to me
Bow to me at my feet you'll bow to me
Bow to me

Get on you knees
'Cause I'm the fucking king of the world
Do as I please
So get up and get out and I'll show you
What it means for me to control you

'Cause I'm the fucking king, fucking king of the world
Do as I please
I'm the fucking king, fucking king of the world
Get on you knees

I'm the fucking king, the fucking king of the world,
yeah
Fucking king of the world

Bow to me
Bow to me at my feet you'll bow to me
Bow to me at my feet you'll bow to me

Bow to me at my feet you'll bow to me
Bow to me at my feet you'll bow to me
Bow to me
