Um, hey Porcelain  
Yeah, baby?  
Excuse me but...

I got no regrets and I remember the day that we met  
There was no way that I could forget you  
So I followed you home and I waited 'til you were alone  
And I crept into your room while you slept  
I laid next to you and I knew that I could never let you  
go

I know this seems so wrong  
But I'm just a love sick criminal

You can arrest me baby, I don't wanna leave  
Lock me up, throw away the key  
I don't care if I'm in trouble deep  
I'm addicted to your love

I'll be your prisoner  
I'll be your prisoner tonight  
I'm under your spell  
And I just can't get enough

You woke up to me staring at you in your sleep  
Like a deer in the headlights I couldn't see  
Anything else but the way you breathe  
And you screamed at the top of your lungs  
You couldn't believe it, you thought you were dreaming  
I knew I never wanted you to let me go

I know this seems so wrong  
But I'm just a love sick criminal

You can arrest me baby, I don't wanna leave  
Lock me up, throw away the key  
I don't care if I'm in trouble deep  
I'm addicted to your love

I'll be your prisoner  
I'll be your prisoner tonight

I'm under your spell  
And I just can't get enough

I'm gonna make you love it, stick it, taste it  
Come on and put your hands in dirty places  
I'm gonna hold your heart and fucking break it  
Undress it slowly, baby show me you're tasteless

I'm gonna make you love it, stick it, taste it  
Come on and put your hands in dirty places  
I'm gonna hold your heart and fucking break it  
Undress it slowly, baby show me you're tasteless

Jeffree Star and Porcelain  
Being fucking whores again

You can arrest me baby, I don't wanna leave  
Lock me up, throw away the key  
I don't care if I'm in trouble deep  
I'm addicted to your love

I'll be your prisoner  
I'll be your prisoner tonight  
I'm under your spell  
And I just can't get enough

I'll be your prisoner  
I'll be your prisoner tonight  
I'm under your spell  
And I just can't get enough
