Hey hey hey if you're ready to rage  
Raise your hands up, this what rock and roll looks like  
Yeah yeah yeah, wearing leather and lace  
Raise your hands up, this what rock and roll looks like

[Lil Wayne]

Umm, microphone check one, two  
Yeah, yeah, it's Porcelain baby  
And this is what rock and roll looks like

The dark days falling down on my skin  
I feel the thirst to get it in  
Trouble, trouble, drink it down  
Like a king I take the crown  
Lash away the pain 'til my expense

'Cause we're the kids that belong to the night  
We're gonna get pissed, we're gonna start a fight

Hey hey hey if you're ready to rage  
Raise your hands up, this what rock and roll looks like  
Yeah yeah yeah, wearing leather and lace  
Raise your hands up, this what rock and roll looks like

Na-na-na-na-nana-na-now  
Hey, hey, hey  
Na-na-na-na-nana-na-now, na-now  
Hey  
Na-na-na-na-nana-na-now  
Hey, hey, hey  
Na-na-na-na-nana-na-now, na-now  
Hey

We're putting dark shades on for the cameras  
Take a picture now if you wanna have us  
With lipstick smeared across my face  
Not a drop will go to waste  
Baby the beast is yours to chase

'Cause we're the kids that belong to the night  
We're gonna get pissed, we're gonna start a fight

Hey hey hey if you're ready to rage  
Raise your hands up, this what rock and roll looks like  
Yeah yeah yeah, wearing leather and lace  
Raise your hands up, this what rock and roll looks like

Na-na-na-na-nana-na-now  
Hey, hey, hey  
Na-na-na-na-nana-na-na-now, na-now  
Hey  
Na-na-na-na-nana-na-now  
Hey, hey, hey  
Na-na-na-na-nana-na-na-now, na-now  
Hey

[Lil Wayne]  
I-I-I need a cigarette and a bad bitch  
Come be my soccer ball and get yo ass kicked  
I like my pizza cold, I like my glass full  
I don't like bullshit, but I like red bull  
I smell like Guns and Roses  
I look like money, bitch  
I taste like rock and roll  
I make her lick her lips  
And all the drama's dead  
I'm in the past life  
I forgot her name but I remember last night  
You can do what you do  
I done did enough  
I'm on that gangsta shit  
I don't give a fuck  
Weezy

You wanna talk the talk, get up and show me the walk  
You wanna talk the talk, you better show me the walk  
You wanna talk the talk, get up and show me your walk  
You wanna talk the talk, you better show me your walk

Hey hey hey if you're ready to rage  
Raise your hands up, this what rock and roll looks like  
Yeah yeah yeah, wearing leather and lace  
Raise your hands up, this what rock and roll looks like

Hey hey hey if you're ready to rage  
Raise your hands up, this what rock and roll looks like  
Yeah yeah yeah, wearing leather and lace  
Raise your hands up, this what rock and roll looks like
