[Porcelain Black - Chorus]

Hey hey hey if you're ready to rage
Raise your hands up, this what rock and roll looks like
Yeah yeah yeah, wearing leather and lace
Raise your hands up, this what rock and roll looks like

Umm, microphone check one, two
Yeah, yeah, it's Porcelain baby
And this is what Rock n Roll Looks like

The dark days falling down on my stand
I feel the thirst to get it in
Trouble, trouble, drink it down
Like a king, I take the crown
Lush away the pain til my head spins
Cause we're the kids, that belong to the night
We gonna get this, we gonna start a fight

[Porcelain Black - Chorus]

Hey hey hey if you're ready to rage
Raise your hands up, this what rock and roll looks like
Yeah yeah yeah, wearing leather and lace
Raise your hands up, this what rock and roll looks like

Na-na-na-na-nana-na-nah
(hey, hey, hey)
Na-na-na-na-nana-na-now, na-now
(Hey)
Na-na-na-na-nana-na-now
(Hey hey, hey)
Na-na-na-na-nana-na-now, na-now
(Hey)

We're putting dark shades on for the cameras
Take a picture now if you wanna have us
With lipstick smeared across my face
Not a drop will go to waste
Baby the beast is yours to chase
Cause we're the kids that belong to the night
We gonna get this, we gonna start a fight

[Porcelain Black - Chorus]

Hey hey hey if you're ready to rage
Raise your hands up, this what rock and roll looks like
Yeah yeah yeah, wearing leather and lace
Raise your hands up, this what rock and roll looks like

Na-na-na-na-nana-na-nah
(hey, hey, hey)
Na-na-na-na-nana-na-na-now, na-now
(Hey)
Na-na-na-na-nana-na-now
(Hey hey, hey)
Na-na-na-na-nana-na-na-now, na-now
(Hey)

[Lil Wayne]
I-I-I-I need a cigarette and a bad bitch
Come be my soccer ball and get yo ass kicked
I like my p**sy cold, I like my glass full
I don't like bullshit, but I like red bull
I smell like Guns and Roses
I look like money bitch
I taste like Rock n Roll
I make her lick her lips
And all the drama's dead
Im in the past life
I forgot her name but I remember last night
You can do what you do
I done did enough
I'm on that gangsta shit
I don't give a f-ck
Weezy

[Porcelain Black]
You wanna talk the talk, get up and show me the walk
You wanna talk the talk, you better show me the walk
You wanna talk the talk, get up and show me ya walk
You wanna talk the talk, you better show me ya walk
