Oh, Megan don't do this
Sometimes you can be so foolish
I dropped you at your place
That was yesterday

My thoughts have turned goulish
My intake (has) become outlandish
I'm in a bad way
Every passing day

"So where do we go from here" I'll say
You're a shining star, you'll do great in L.A.
And I keep fixing every habit that I break

Oh Megan, is this thing of ours still on?
For I haven't slept a wink since you have been gone
Now I want to be buried in your backyard
And when the flowers grow
Just know you're still in my heart
You're still in my heart

A flash of dark interest steers us into a car crash
Uniting our remains, a fiery hurray
Our hands touch unnoticed
Pressed up against melting glass
You're calling out my name as the air escapes

Oh "Where do we go from here" I'll say
You're a shining star, you'd do great in L.A.
And I keep fixing every habit that I break

Oh Megan, is this thing of ours still on?
For I haven't slept a wink since you have been gone
Now I want to be buried in your backyard
And when the flowers grow
Just know you're still in my heart

"So, where do we go from here" I'll say
You're a shining star, you'd do great in L.A.
And I keep fixing every habit that I break

Oh Megan, is this thing of ours still on?
For I haven't slept a wink since you have been gone
Now I want to be buried in your backyard
And when the flowers grow
Just know you're still in my heart

When the flowers grow
just know you're in my heart

When the flowers grow
just know you're in my heart
