We're not dead, just heavily sedated,  
Can you tell, by the way we dress,  
Got the stars stuck in our eyes  
A manikin in depth to the veteran  
So would you spare some change for the man with  
cardboard in his hands  
And I love you more than life, as if you couldn't  
guess,  
When every whisper and caress that was meaningless

And my dear you are the bow  
And I'm a clown stuck in this ring to entertain you  
Go clinch your chest  
We'll all be dead quite soon  
And it's no easy thing, when I have never meant a  
thing to you

We're just sexually frustrated  
With a thirst for unknown blood  
Got the warm gun at our side  
Mother I fear what's between their ears  
For the bodies take a track  
And the mind takes it all back

And I love you more than life, as if you couldn't  
guess,  
When every whisper and caress that was meaningless  
And my dear you are the bow  
And I'm a clown stuck in this ring to entertain you  
Go clinch your chest  
We'll all be dead quite soon  
And it's no easy thing, when I have never meant a  
thing to you  
Meant a thing to you

And I love you more than life, as if you couldn't  
guess,  
When every whisper and caress that was meaningless  
And my dear you are the bow  
And I'm a clown stuck in this ring to entertain you  
Go clinch your chest  
We'll all be dead quite soon

And it's no easy thing, when I have never meant a  
thing to you
