He's known as Little Horn, the Lawless One,
And the lawbreaking Leviathan.
There are those who call him Apollyon,
That crafty Ancient of Days Dragon.
The only thing that's for certain -
There's a giant list of names for Satan.

He's a pimp, a pusher, and a user,
And the world's number one Accuser,
A man, woman, and child abuser -
That old Serpent's a master seducer.
There's only one thing that's for sure -
There's a giant list of names for Satan.

He's a cold crucifier;
He's the world's biggest liar.
Hair aflame, pants on fire;
Smoothest voice in Hell's choir.

Always on the hot seat,
He sure can stand the heat,
Wants to have a meet and greet,
This Big Daddy of Deceit.

He's the King of Babylon and Tyrus,
And he's oh so eager to hire us;
Yeah, he'd like to hire us just to fire us,
Burn us all up like dry papyrus.
He's got a short list of admirers,
But there's a giant list of names for Satan.

He's a cold crucifier;
He's the world's biggest liar.
Hair aflame, pants on fire;

Smoothest voice in Hell's choir.

Always on the hot seat,
He sure can stand the heat,
Wants to have a meet and greet,
This Big Daddy of Deceit.

He's Abaddon, The Accuser,
The Adversary, that big loser,
Father of All Lies,
God of this World,
First Man of Sin,
Lucifer,
Prince of the Power of the Air,
Angel of the Bottomless Pit.

He's a cold crucifier;
He's the world's biggest liar.
Hair aflame, pants on fire;
Smoothest voice in Hell's choir.

Always on the hot seat,
He sure can stand the heat,
Wants to have a meet and greet,
This Big Daddy of Deceit.

He's a cold crucifier;
He's the world's biggest liar.
Hair aflame, pants on fire;
Smoothest voice in Hell's choir.

Always on the hot seat,
He sure can stand the heat,
You'd better skip that meet and greet,
With this Big Daddy of Deceit.
