You showed up at the party  
Dressed just like a man.  
My brother laughed so hard he  
Split his brand new pants  
You didn't seem to notice  
You caused quite a stir.  
I really think your boat is  
Missing an anchor.

Don't mean to be uncouth,  
But to tell you the truth,  
I noticed your tattoo  
Before I noticed you.

You were showing everyone  
Your brand new tattoo,  
And when you flexed your big gun,  
That tattoo grew too.  
Wouldn't have been so bad if  
They were two red hearts;  
What made the scene so sad is

That they were male parts.

Don't mean to be uncouth,  
But to tell you the truth,  
I noticed your tattoo  
Before I noticed you.

You do attract a crowd,  
And they all cheer so loud,  
But they notice your tattoo  
Before they notice you.

So, I guess that the pen is  
Mightier than the sword.  
My only question then is:  
How much ink can you afford?

Don't mean to be uncouth,  
But to tell you the truth,  
I noticed your tattoo

Before I noticed you.
