You're a cool con man,
Fingers oh so light.
You take what you can;
Can't take back the night.

Cheat on your taxes;
You cheat on your wife.
Say it relaxes
The stress in your life.

Lie to your children,
And lie to your boss.
The young damage done
Is the greater loss.

Radar detector's
The fuzz-busting best.
One more reflector;
You failed one more test.

You're ...
Slow dancing with the devil;
You know his song too well.
Slow dancing with the devil;
Two-stepping into Hell.

You're deaf to preaching;
You can't hear the truth.

Fell for false teaching;
Threw away your youth.

You drink way too much;
Do far too much dope.
You won't need a crutch
At the end of your rope.

You're ...
Slow dancing with the devil;
You know his song too well.
Slow dancing with the devil;
Two-stepping into Hell.

Flipping off the God
Who created you.
Jailhouse or jihad -
Neither way is true.

Can't hide with make up
The scars of your crimes.
I pray you wake up
Before the end times.

You're ...
Slow dancing with the devil;
You know his song too well.
Slow dancing with the devil;
Two-stepping into Hell.
