Just a little drink, just a little flirt,
I really didn't think that it could hurt -- Anyone,
Especially not me.
Just a little wine, I was doing fine,
Handing out my line, making up some time,
When a tiny voice deep inside of me --- Whispered,
"Sin can hurt you more than you can ever know,
Sin can take you farther than you want to go,
Sin can keep you longer than you want to stay,
Sin can cost you more than you can ever pay.
Oh ----- Oh -----Oh, Oh,
Straying into NO!"

Just a little glance, just a little kiss,
There was little chance it could end up like this --- For
anyone,
Especially not me.
Just a little bet on the day's roulette,
I haven't lost yet, there's no need to sweat
The larger voice deep inside of me --- That said,
"Sin can hurt you more than you can ever know,
Sin can take you farther than you want to go,
Sin can keep you longer than you want to stay,
Sin can cost you more than you can ever pay.

Oh Oh Oh, Oh,
Straying into NO!"

Just a little bind, just a little pill,
Never thought I'd find that I'd pay the bill --- For
anyone,
Especially not me.
Just a little scene, just a little scheme,
Living out my dream, or so it seemed,
When a giant voice deep inside of me --- Screamed,
"Sin can hurt you more than you can ever know,
Sin can take you farther than you want to go,
Sin can keep you longer than you want to stay,
Sin can cost you more than you can ever pay.
Oh Oh Oh, Oh,
Straying into NO.
Hey Hey Hey, Hey,

You're throwing your life away.
Oh Oh Oh, Oh,
Straying into NO."
