You know that deception starts
In men's minds and in their hearts,
But do you know where truth ends?
The answer's not, "That depends!"

Is all that we see or seem
But a dream within a dream?
Is all that we see or seem
But a dream within a dream?

Searching for honesty,
Looking at you and me;
The only truth I see
Lies in Eternity.

Searching for honesty,
Looking at you and me;
The only truth I see
Lies in Eternity.

Do you dare to tell a lie
When it's an eye for an eye?
Or dare to disguise the truth
When it's a tooth for a tooth?

Is all that we see or seem
But a dream within a dream?
Is all that we see or seem
But a dream within a dream?

Searching for honesty,
Looking at you and me;

The only truth I see
Lies in Eternity.

Searching for honesty,
Looking at you and me;
The only truth I see
Lies in Eternity.

Do you love with all your soul,

Or are you playing a role?
Emotionally equipped
Or just following a script?

Do you live life as a test?
Do you give life all your best?
Can Death be seen, touched, or heard?
Can Death speak a single word?

Is all that we see or seem
But a dream within a dream?
Is all that we see or seem
But a dream within a dream?

Searching for honesty,
Looking at you and me;
The only truth I see
Lies in Eternity.

Searching for honesty,
Looking at you and me;
The only truth I see
Lies in Eternity.
