We own the night..

I see the way you look at me from across the floor,
With every step you take you get a little closer
I'm feeling you are the one I've been waiting for
Stuck in the moment and there's nothing that I want
more

I'm hypnotized by the look in your eyes
and I can't break free, no

You pull me in with every look you give
(Chorus)

We own the night
Dancing the only thing that keeps us alive
Keep the party up cuz we own the night
And we're not gonna stop, no we're not gonna stop
tonight

We own the night
Dancing the only thing that keeps us alive
Keep the party up cuz we own the night
And we're not gonna stop, no stopping without a fight
You hold me close, don't let me go, oh boy I need you
To take it slow, no need to rush, there's nothing to lose
It starts tonight, if you do everything right I might just
make you mine

We'll see in time
I'm hypnotized by the look in your eyes
and I can't break free, no

You pull me in with every look you give
(Chorus)

We own the night
Dancing the only thing that keeps us alive
Keep the party up cuz we own the night
And we're not gonna stop, no we're not gonna stop
tonight

We own the night
Dancing the only thing that keeps us alive
Keep the party up cuz we own the night
And we're not gonna stop, no stopping without a fight
Huh uh uh uh, We own the night, we own the night
Huh uh uh uh, no stopping without a fight
We own the night
(Chorus)

We own the night
Dancing the only thing that keeps us alive
Keep the party up cuz we own the night
And we're not gonna stop, no we're not gonna stop
tonight
We own the night
Dancing the only thing that keeps us alive
Keep the party up cuz we own the night
And we're not gonna stop, no stopping without a fight
