[Verse 1: Lykke Li]

Oh I beg you: can I follow?  
Oh I ask you: why not always?  
Be the ocean, where I unravel,  
Be my only, be the water where I'm wading.

[Hook]

You're my river running high,  
Run deep, run wild.

I-I follow, I follow you  
Deep sea baby, I follow you  
I-I follow, I follow you  
Dark doom honey, I follow you

[Verse 2: Lykke Li]

He a message; I'm the runner.  
He the rebel; I'm the daughter waiting for you.

[Hook]

[Verse 3: Tyler]

Wait, you wanna f\*ckin' drown? Go ahead  
Head first in that goddamn river, you're dead  
I said that I loved you, heartbeats when you get near  
So it's clear why I f\*cked you (I love you)  
X's and O's, you must be the rose  
Cause my exes are hoes, and where you gonna go  
When you run through my head all day?  
And I got a foot fetish, so I probably have sex with your  
toes  
Um, life is a water park, could be fun  
I'd swim in your ocean of love  
If I had a life jacket cause I'm not that dumb  
So next time I come, I'll bring you one  
So you don't drown, when you decide to follow  
And I'm gonna go deep cause you're not that shallow,  
right?

[Hook]
