Hey guys (golf wang!)

I'm peter rosenberg, super-underground
You know me, you see my laptop
Apple is pretty mainstream but I have underground
stickers
So it levels out...

[Verse 1 - domo genesis]

Y'all niggas got it twisted, we ain't the misfits
We the sick shit, make the competition slit wrists
Bodybag, beats get rapped like it's christmas
Popping tags, I stay in dior cause I'm christian
Nigga listen: I been killing this since I was the
Age of the face that r. kelly pissed in
In the booth, I'm brawling to be like the pistons
Only smoke flight, you can't get if you ain't pitched in!
And bitch stop talking, let the marijuana sink in
And when that chauffeur roll up, you better get in
You and your 6 friends, even your thick friend
Got a gang of wolves that slay hoes like henchmen
Of kill someone, yeah nigga we shipped it
Local ass nigga, we overseas on you dipshits
Walking? tweet, motherfucker take a twitpic
Kidnapped the game and it won't quit bitching

Dunn take butter knife now I'm breaking in homes
Now I'm in the cloud with kelly, we're watching the
throne
Until I get that motherfucker, I'll be watching your home
Then I try to go home?
Look like?, see I'm the?
Go out with a bunch of fucking lindsay lohans
Don't even know me, trying to give me that old handjob
Fuck that ho! blow me
The gi joe of of is slowly
Slowly running shit, his toes are swollen
Guards left the bridge, no more patrolling
Stick my finger in any hole I can find: fuck bowling!
I'm making that? bone me
In a room? stuck, my bank account is moldy

? holding hands til I eat her cooter like a bowl of ravioli
Chef boyar-t, also had to make a couple pit stops
Ended up at a fucking hipster club called the pink drop
When they said how much they really love
Odd future kids and underground hip-hop
We don't give a fuck! like a virginized dick cock
After being tickled by a couple of these bitch shops
Young niggas, of got this
Come to my show and see niggas in the mosh pit
Cat on my conscience?
Now I'm fly like an ostrich
Vma? yes - video my set
Harder
Thrasher, billboard, couple of them issues
Boy flow colder than a? like in an igloo
I'mma fuck the game until my fucking dick bruised
