1st verse:

Still framed photograph
Of you and me together
Is all I have of me and you
Anymore
We were so in love and
We thought it last forever
But in the storm
We were torn

Chorus:

And I won't forget you
Don't regret you
The hardest thing I've had to do
Is how to live without you
And I wonder why
We both walked away
I'm lost without you
Still crazy for you
Just turn around come back
Because your smile is overdue
And I miss you

2nd verse:

If I only knew the words to say
That would make you turn around
I would say those words to you
More than a million times
It's been forever but that hasn't changed
What you mean to me
And darling can't you see?

Chorus:

That I won't forget you
Don't regret you
And the hardest thing I've ever do is
How to live without you
And I wonder why we both walked away
I'm lost without you
Still crazy for you
Just turn around come back

Because your smile is overdue
And I miss...
I miss you

Bridge:
I'm sorry for all I did
All I said
And
The things I hid
I'm finally over me
Is that too late for you?
I can't imagine where I'd be
If you had never rescued me
You showed me what it is
And now I see

Chorus:
And I won't forget you
I can't forget you
And the hardest thing I've done is
How to live without you
And I wonder why
We both walked away
I'm lost without you
Still crazy for you
Just turn around come back
Because your smile is overdue
And I miss you
***repeat chorus
