Yeah

Young nigga come through looking clean
Young nigga come through looking clean
Yeah

Young nigga come through, lil'™ diamonds on his
neck
Young nigga come through, and you know I got that
TEC
Young nigga get the burner; shoot the nigga in his dick
Young nigga got the burner; shoot the nigga in his dick
If a nigga got a problem, hit a nigga with the lama
If the nigga got a problem, then I go and meet his
momma
lil'™ m flyer then an airplane
Hot like a toaster, with eggs in it
Yolk homie
Young nigga got AK-47
You already know
Robbery, 7-11
Have a nigga up in heaven with this AK
Trrrrra, trrrra, trraaa, trraaa
That's™ what I spray
And if a nigga say something, something, something
Get that mother fucker pumped
And burn it up like Joe Budden
Niggas know I come through like
What the fuck it do?
Nigga If you talk shit
Nigga know lil'™ m gonna shoot

Young nigga come through looking clean
Young nigga come through looking clean

Young nigga come through looking clean
Young nigga come through looking clean
Listen, OK
Young nigga come through looking clean
Young nigga come through looking clean
Young nigga come through looking clean
Young nigga come through looking clean

My money older then clearency
Looking just like the Ramsey
If a nigga got a problem
Nigga know I got the burner
Shoot a nigga and his momma
I donâ€™t really give a fuck
If a nigga got a problem
Shoot the nigga in his dick
I got bitches on deck
I got bitches in the room
I gotta a four twenty seven
I donâ€™t really give a fuck
Young nigga got Gucci
Gucci got Louis
Louis got Prada
Shoot a nigga with the lama
Rolling in that whip
In that whip with yo bitch
What she gonna do?
Probably suck my dick
I got bitches on deck
1-2-3-4-5-6-7-8-9-10-11 nigga
Young nigga got what?
A bunch of hoes
Look at my clothes
Got a new bitch
Got a new ho
Nigga I aintâ€™s done
Come through looking clean
In my air force ones

Young nigga come through looking clean
Young nigga come through looking clean
Young nigga come through looking clean
Young nigga come through looking clean
Listen
Young nigga come through looking clean
Young nigga come through looking clean
Listen
Young nigga come through looking clean
Young nigga, young nigga

I got bitches in my room doing drugs

(his speech starts slurring)
And now I wanna wanna do
Nigga know, that if you wanna problem
Hit a nigga shoot his mom with the burner
With the nigga, kill the nigga
Nigga, I don't give a fuck
(his speech returns to normal, "let him no" is
shouted in the background)

Whatcha gon do about a nigga when the burner hit the
nigga
Got a problem? I don't really give a fuck (gasp)
fuck
When a nigga
I'm young nigga
If you're really (gasp) gotta do that shit I don't
really give a fuck
I said y-u-n, g-n-l, g-g-a come through looking clean
I said y-u-n, g-n-l, g-g-a come through looking clean
Young nigga come through looking clean
Young nigga, young nigga
Young nigga, young nigga
Young nigga, young nigga

Young nigga come through looking clean

I got bitches
I said 1-2-3-4-5-6-7-8-9-10-11
What's yo name? What's yo name? What's
