Walking in after a 3 day wait
And a 20 minute drive
It feels like forever
And at least a day or two
Since IÃfÃ...Ã Ã,Ã³e been in your arms

ItÃfÃ...Ã Ã,Ã 3am and youÃfÃ...Ã Ã,Ã³e been up
since 12
Waiting for all my roads
To lead me to your door

So weak I am as we embrace for the first time in about
10,000 miles
As you take my hand, lead me up the stairs to your
room
Shut the door, take your face, youÃfÃ...Ã Ã,Ã®e
beautiful tonight

In candle light
And IÃfÃ...Ã Ã,Ã³e missed your touch
As I whisper in your ear
YouÃfÃ...Ã Ã,Ã®e everything to me
And tonight IÃfÃ...Ã Ã,Ã¡ yours

So here we are, embracing the dark
Kisses, closed eyes
Heartbeats and thighs
IÃfÃ...Ã Ã,Ã¡ lost in you
Running my hands through your blonde hair
Tracing red lines down my sore back
IÃfÃ...Ã Ã,Ã£I stay tonight remind me not to leave
you again
