I know the sorrows of a broken heart
I've seen the dreamworld that I feel fell apart
Felt the tears fall from my eyes
I've even been the victim of dirty cold lies

But there's no hurt (Love can't heal)
No hurt (Love can't heal)
Ohh-hoo, Love can't heal

But there's no hurt (Love can't heal)
Oh no hurt (Love can't heal)
Ooh-hoo, Love can't heal

I've had dreams and I even played the fool
Tryin' to do things I could to satisfy you
Swallowed my pride to let the smile come though
Not even know how bad a woman can feel

But there's no hurt (Love can't heal)
No hurt (Love can't heal)
Ohh-hoo, Love can't heal

But there's no hurt (Love can't heal)
No hurt (Love can't heal)
Ohh-hoo, Love can't heal

(There's no hurt, There's no hurt)
Ahh, ahh (There's no hurt)

No hurt (Love can't heal)
Oh no hurt (Love can't heal)
Ooh-hoo, Love can't heal

But there's no hurt (Love can't heal)
Oh no hurt (Love can't heal)
Ooh-hoo, Love can't heal
