You stole into my heart and set it afire
You made my body burn with sweet desire
The way you touch me I couldn't resist you
My love was yours the moment that I kissed you
You promised me our love would last forever
Now there's just confusion, Oh I got illusion

That ain't no way to treat a lady
That ain't no way to treat a lady
That ain't no way to treat your baby,
Baby

Me in your life is like a priceless treasure
But you would trade it for a night of pleasure
I tried so hard to be the girl you'd stay with
How can you treat me like a toy you play with?
If you don't love me then why don't you leave me?
Cause now it's like my dreams are tearin' at the seams

That ain't no way to treat a lady
That ain't no way to treat a lady
That ain't no way to treat your baby,
Baby

Whoo, I'm so lonely
It's not the one and only, my life is simply on a shelf
Boy I miss you,
I need to hug and kiss you
Don't you make me lead a life by myself
Hey baby

That ain't no way to treat a lady
That ain't no way to treat a lady
That ain't no way to treat your baby,
Baby

That ain't no way to treat a lady
That ain't no way to treat a lady
That ain't no way to treat your baby,
Baby
