All the things you told me
Are still inside my heart
So I don't feel so lonely
Though we're far apart

Cause I know soon you'll be back home again, yeah
And I know you'll be true me til then, yeah
And I know when the lonely night is long
And it seems the thrill is gone, I remember...

All the things you told me
When our love was new
That's all I need to hold me
Til that dream comes true

Cause I know I'm the one you're waiting for, yeah
And I know soon I'll hold you close once more, yeah
And I know everything you said was true,
Baby, I believe in you and I remember...

I remember all the things
You did to get away
I remember all the things you told me when
We had to part

And all the things you told me
Are still inside my heart
So I don't feel so lonely
Though we're far apart

Cause I know soon you'll be back home again, yeah
And I know you'll be true me til then, yeah
And I know you'll belong to me
Baby I know you'll belong to me
