Anyway you want to be, It's alright with me
Anyway you want it, It's alright with me
Nobody loves you Oh, nobody needs you
Anyway you want it, It's alright with me

Uhh, Baby let me love ya, Do what I want to do
Anyway you want it, It's alright with me
Nobody loves you Oh, nobody needs you
Anyway you want it, It's alright with me

Anyway you want,
Hey, it's alright with me
Anyway you want,
It's alright with me

Now, here come the boys...

[Instrumental]

Anyway you want,
Huh, it's alright with me
Anyway you want,
It's alright, it's alright, it's alright
Anyway you wanna be,
It's alright, it's alright, it's alright

Oh, I love you, It's alright
Oh, gonna need you, need you, It's alright
It's alright, it's alright, It's alright
Ooh, I'm gonna love you, It's alright
