Hold on baby, Don't let go
Hold on baby, Take it slow
Hold on baby til love's yours and mine
My fire in me baby ringing my chime

Hold on baby, Don't let go
Hold on baby, Take it slow
Hold on baby, Take your time
We gotta hold on til it's yours and mine

Now we're one,
You know we've got it baby,
Baby, We've got it
I'm with you,
It's just a lifetime for us both to share it,
Your kind of love could come near it,
Heaven-sent here just for you and me

Hold on baby, Don't let go
Hold on baby, Know I want you so
Hold on baby til love's yours and mine
I'm gonna really tell ya one more time

Hold on baby, Don't let go
Hold on baby, Take it slow
Hold on baby, Take your time
We gotta hold on til it's yours and mine

Now we're one,
You know we've got it baby,
Baby, We've got it
I'm with you,
It's just a lifetime for us both to share it,
Your kind of love could come near it,
Heaven-sent here just for you and me

Hold on baby, Don't let go
Hold on baby, Take it slow
Hold on baby til love's yours and mine
My fire in me baby ringing my chime

Hold on baby, Hold on baby,

Hold on baby

Ooh, Hold on baby, Don't let go
Hold on baby, Take it slow
Hold on baby til love's yours and mine
My fire in me baby ringing my chime

Hold on baby, Don't let go
Hold on baby, Take it slow
Hold on baby til love's yours and mine
We gotta hold on til it's yours and mine
