Well it's plain as rain
And it's there for all the world to see
Just 'cause everybody does it,
That doesn't make it right for me, Oh no it doesn't
Someone's makin' plans involvin' my old man
Everytime I turn my back around
Feelin' like a one man woman
Livin' in a two time town

Now in the place that I come from
People don't grow on trees
And you can't treat people like meat
Without gettin' brought to your knees, Now and then,
baby,
Way I've been feelin' since I hit this town
Like to jump in the river and drown
Feelin' like a one man woman
Livin' in a two time town
Way I'm feelin', yeah
Like I'm livin' in a two time town

[Instrumental]

I'm a one man woman
Livin' in a two time town
Oh I'm feelin', yeah
Like I'm livin' in a two time town

Yeah, I'd like to get out on the floor,
Shake it till the break of dawn
Some young thing like to teach him the bump
Make me wanna take him home

Well excuse me
I don't mean to preach ya no lectures
Yeah, but me and my man won't
Be able to stay for breakfast, gotta go home now
I guess he's got the itch and I'm just a bitch
Who's tryin' to bring him on down
Feelin' like a one man woman,
Actin' like a one man woman,
Whoa, I'm just a one man woman

Livin' in a two time town, Ooh!
